

City Of Raleigh

NORTH CAROLINA

June 11, 2015

Dear Property Owner:

You are receiving this notice because **your property at <<FIELD1>> is located within 100 feet of a property that is the subject of a city-initiated rezoning application.**

The City is in the process of rezoning 30% of the City's jurisdiction to replace older zoning districts with new Unified Development Ordinance districts. City Staff developed a draft map of recommended changes to take to the Raleigh Planning Commission and City Council for approval. The draft map was released for public comment between May and September 2014. All affected property owners were mailed postcards containing information regarding this citywide rezoning and how to comment on the draft map. Planning Commission commenced review of the map in October 2014 and made a recommendation to the City Council in April 2015. A second postcard was mailed to all affected property owners notifying them of the Planning Commission review. City Council has scheduled a Public Hearing on the matter. This is the final opportunity for the public to comment on the citywide rezoning before the City Council takes action.

The City Council will consider the citywide rezoning at a Public Hearing scheduled for **Tuesday, July 7 at 7:00 p.m.** in the Council Chamber, room 201 of the Raleigh Municipal Building, located at 222 West Hargett Street. The purpose of the Public Hearing is to receive and consider comments related to the proposed amendments to the City's Zoning Ordinance and Map. The public may also submit written comments to the Planning Director.

The Citywide Rezoning area (zoning case number Z-27-14) comprises approximately 41,000 acres, is requested by City of Raleigh to be rezoned from districts permitting multifamily residential and non-residential uses, as described in Chapter 10 of the City of Raleigh Code of Ordinances to residential, mixed-use, and special districts as described in the City of Raleigh Unified Development Ordinance, as well as height and frontage as delineated online at maps.raleighnc.gov/remapping.
